Google patents

PatentsPatents **1 - 10** on **coefficient wavelet, map displaying**. (0.04 seconds)▸ **List view**[Cover view](#)▸ **Sort by relevance**[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)▸ **Any status**[Issued patents](#)[Applications](#)**Wavelet texturing**

US Pat. 5831625 - Filed Jun 10, 1996 - Integrated Device Technology, Inc.
The method of claim 13 wherein said encoded texture **map** comprises a plurality of

... an image **coefficient** to create a compressed **wavelet** amplitude value, ...

Removing noise from a color image using wavelets

US Pat. 6801672 - Filed Jun 1, 2001

The Scale 1 **wavelet** coefficients 274-1 are associated with a first scale and include subsets of **wavelet coefficient** data 274-lr, 274-lg, and 274-lb for each

...

Failure analyzing method and apparatus using two-dimensional wavelet transforms

US Pat. 6442733 - Filed Apr 26, 1999 - Advantest Corporation

Therefore, there is an increased need for a technology for **displaying** a fail ...

a fail bit **map** comprising: two-dimensional **Wavelet**-transforming means for ...

Method for optimizing visual display of enhanced digital images

US Pat. 6463181 - Filed Dec 22, 2000 - The United States of America as represented by the Secretary of the Navy

20 A two-dimensional dyadic **wavelet** transform is conducted on each row and each column of input image data. This produces a **wavelet coefficient map** that is ...

Method and apparatus for compression and decompression of documents and the ...

US Pat. 5604824 - Filed Sep 22, 1994 - Houston Advanced Research Center

... the reconstruction **wavelet** function with the second group of **coefficient** ...

to the document image; and **displaying** the reconstructed document image. 25. ...

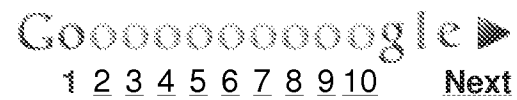

Wide band video signal denoiser and method for denoising

US Pat. 5781144 - Filed Jul 3, 1996 - Litton Applied Technology

1 also generates a **coefficient map** ranking all of and the DAC circuit 55. ... The **wavelet** transformation a complete multi-resolution signal decomposition ...

Wavelet transformation of dithered quantized/reduced color pixels for color ...

US Pat. 6711299 - Filed Nov 30, 2000 - Vianet Technologies, Inc.

coefficient wavelet, map displaying
